

Sponsorship Package

The ISRA 2011 is in its 7th (seventh) year and has seen a rise in Indonesian companies publishing Sustainability Reports. From only 1 company making a report in 2005 to around 30 companies for 2011. The ISRA is a recognition towards all companies who consider themselves as a true sustainable and responsible company. By becoming a sponsor of this prestigious event, your company will be considered as one of the companies who does care about the progress of sustainability and enhancing the quality of Sustainability Reporting.

There for we have developed 3 (three) interesting sponsorship packages.
